

VISION STATEMENT

SPRINT excels at providing high quality, responsive, and accessible community support services to older adults and their families in North Toronto.

SPRINT VALUES

- Believe in client self determination
- Support and encourage client independence AND interdependence
- Believe in the intrinsic worth and dignity of every client
- Support, encourage and build on client strengths using a holistic approach
- Provide least intrusive service possible
- Provide a consistently high quality of service
- Provide personalized, "user friendly" service
- Provide service regardless of the ability to pay, within resources available
- Accept and respect individual, cultural, racial, religious, and gender differences, or sexual orientation
- Provide a supportive, growth oriented setting for staff and volunteers
- Remain rooted in our local community as a neighbourhood non profit agency;
- Believe in the involvement of a significant volunteer component at the direct service levels
- Believe in working collaboratively, not competitively, with other service providers, freely sharing our expertise and resources within given limitations
- Are committed to agency governance resting with a community based volunteer Board of Directors
